- ☐ Category:
 - ☐ Music
- ☐ Description: (2000 character max)
 - ☐ The D.I.CHI app is built for the DIY Musician based in Chicago, IL. This app provides a one-stop-shop for listening to the ever-growing plethora of talented musicians in the windy city. With the ability to showcase a song from Soundcloud and to create a succinct musician profile, musicians and fans alike are able to stay up to date on the endless stylings of Chicago's best local artists. This app is available for iPhone only.
